MISSION STATEMENT

The mission of HIS is to nurture students to become Kingdom agents serving in multicultural contexts of the world by providing them Biblically founded academic, character, and global education.

HIS DESCRIPTION

HIS serves Korean students and students of diverse cultural backgrounds, including children of missionaries, from 1st through 12th grade. HIS employs an English Immersion/Dual Language Program where most classes are taught in English and the rest in Korean.

HIGH SCHOOL PROFILE (2023-2024)

SCHOOL OVERVIEW

- Founded in 1998
- Christian alternative school accredited by the Korean Ministry of Education and ACSI.
- Bilingual school, in which 70% of the curriculum is taught in English and 30% is taught in Korean.
- Offers an American college-preparatory curriculum to the international community.
- HIS is a private Christian school started by Handong Global University Education Foundation to aid in its mission to change the world by reaching it for Christ. HIS currently consists of 128 elementary students (grades 1-6), 116 middle school students (grades 7-9), and 145 high school students (grades 10-12). The total number of students is 389.

GRADUATION REQUIREMENTS

Accreditation

HIS is accredited by the Korean Ministry of Education and ACSI. HIS awards a Graduation Diploma.

Graduation Requirements

- I. The student must complete all grades through 12th grade.
 - II. The student's overall grade average through 12th grade must be 60% or higher.
 - III. The student must fulfill the attendance requirements through the 12th grade year.
 - IV. The student must fulfill the conditions of the high school elective program.
- If either II or III is not achieved, the student must complete further requirements set by the Academic Committee.

External Examinations

AP, SAT, PSAT

AP COURSES

Students can take up to a total of 3-4 AP courses as electives between 10th and 12th grade. In addition to these, students who meet HIS criteria can take up to two AP English courses.

Online Advanced Placement Courses

Environmental Science	Calculus BC
Human Geography	Statistics
US Government and Politics	Chemistry
European History	Biology
US History	Computer Science Principles
World History Modern	Computer Science A
Language and Composition	Micro Economics
Literature and Composition	Macro Economics
Psychology	Physics 1
Calculus AB	Physics C: Mechanics

GRADING SYSTEM

** Students' GPAs are produced based on an unweighted 4.5 grading system and are not ranked.*

Letter	Numeric	Grade Points	Notes
A+	95 - 100	4.5	Excellent
A	90 - 94.9	4.0	
B+	85 - 89.9	3.5	Good
B	80 - 84.9	3.0	
C+	75 - 79.9	2.5	Satisfactory
C	70 - 74.9	2.0	
D+	65 - 69.9	1.5	Weak
D	60 - 64.9	1.0	
F	0 - 59.9	0.0	Failure or unofficial withdrawal
P (2019~)	80 - 89.9	N/A	Pass
PD (2019)	90 - 100	N/A	Pass with distinction
I	N/A	N/A	Incomplete
W	N/A	N/A	Official withdrawal

• MAIN ACTIVITIES •

Team Missions

In the middle and high school, teams of students are formed from 7th-12th grades to help them adjust to school life and foster positive relationships between older and younger students. This year, we have 14 teams made up of 16 students each, with 9th and 12th grade leaders. Team meetings occur every Wednesday, during SA time, and are led by the Student Council.

Science Fair

Middle and high school students showcase their brilliant ideas at the HIS Science Fair. Students exhibit projects in the fields of biology, chemistry, physics, astronomy, computer, mechanical engineering, environmental science, botany, robotics, and psychology.

Outdoor Education

HIS students have done various outdoor activities outside the school to have a variety of experiences. Students learn to overcome difficulties and unite as a team in every process. Most events are planned and conducted by students under the guidance of the teacher in charge.

-**Field Trip:** Activities for hands-on knowledge and experiences, such as career experiences and volunteer work.

-**Camping Trip:** Activities to train the mind and body, such as a 100-kilometer march and missionary works, staying together for more than three days.

-**Expo:** All clubs operate booths and prepare special activities or products to introduce their club to visitors.

Variety Show

Every year the Variety Show is planned and directed by the 11th grade while all middle and high school students perform and participate. For one month, they work in planning and executing each grade's performance as well as promotion, decorations, costumes, fundraising, media, and translation, to produce something that is more than just a school recital, but also a worship service of culture and performing arts with a distinctly "Handong" flavor.

SKAC Programs

SKAC programs help students to cultivate cross-cultural competence as they participate in English-conducted programs such as various sports, Speech & Debate, Spelling Bee, MUN. In MUN, the students talk and debate about current issues affecting the world in five different councils with students from the other SKAC schools. These issues include topics such as police brutality, facial recognition software, the Asian air pollution crisis and more.

* HIS has been participating in the programs of the Southern Korea Activities Conference (SKAC), which consists of several international and foreign schools.

Community Week

Students divide into blue and grey teams for community week to compete in events such as volleyball, futsal, basketball, dodgeball, high jump, chess, cup stacking, etc. Students also engage in busking and various fundraising activities.

PSAT/NMSQT

The PSAT/NMSQT is administered to applicants who are in the 10th and 11th grades.

SAT

The SAT is administered to all applicants three or four times per year.

AP EXAMS

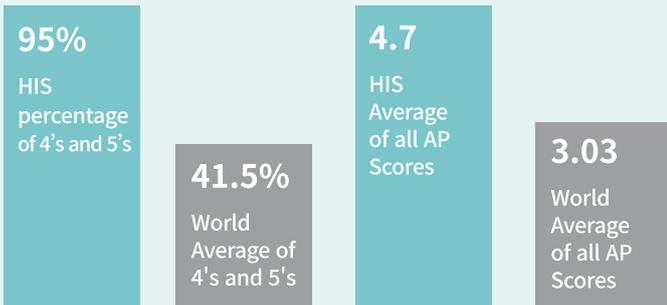

35% of HIS students took two or more AP exams in 2021-2022.

* **Exception** - students enrolled in Korean domestic track.

- Some of the school's planned activities, such as volunteer work at institutions or field trips that require accommodation, were canceled in 2019-2021.
- Athletic and academic activities were shortened and modified and artistic fairs were virtual in 2019-2021.
- As of 2022, all activities in HIS curriculum are back to normal.

2021-2022 AP EXAM SCORES

AVERAGE SAT SCORES

	ERW	MATH	TOTAL
2020	611	738	1349
2021	646	739	1385
2022	633	733	1366
World Avg 2021	529	521	1050

* The highest SAT score in 2022 is 1560.
