Student Life Regulations

Enacted 2014. 2. 28.
Amended 2015. 9. 18.
Amended 2018. 5. 4.
Fully Amended 2021. 10. 5.
Amended 2023. 12. 29.

Chapter 1 General Provisions

Article 1 (Title) The title of these Regulations is “Handong International School Middle and High School Program Student Life Regulations.”

Article 2 (Purpose) The purpose of these regulations, in stipulating necessary matters concerning student life at this school, is to equip students in the middle and high school programs as servant workers of God’s kingdom by establishing their identity, world view and calling in Christ and developing their capabilities to transform the world.

Article 3 (Basic Etiquette) ① Students must make their best effort to show respect and courtesy to all people based on the Bible verse “Do to others as you would have them do to you.”

② Students must respect teachers’ authority and follow their instruction.

③ Students must recognize the authority of the students in leadership positions in their class, grade, or student council.

④ Students must try to make new friends and form diverse and open-minded relationships with other students rather than be closed-off or exclusive.

Chapter 2 Student Life

Section 1 School Life

Article 4 (Classes) ① Students must attend classes on time. In the event that class cannot be attended for a particular reason, the teacher of the class should be notified.

② If a student has to visit the Nurse's Room and misses class as a result, the student must submit a nurse's room visit note to the teacher of the class.

③ Students must receive a "hall pass" from the teacher of the class if they need to leave the classroom during class. The use of hall passes are limited to 4 times for each class per semester per student.

Article 5 (Time Outside of Class) ① Students may not disturb others by being unreasonably noisy indoors or outdoors.

② Students may not engage in roughhousing or joking indoors or outdoors that threatens safety.

③ Students may not engage in speculative gaming or gambling activities.

Article 6 (Early Dismissal and Absences) Students may not leave school early or be absent without permission between the start of and dismissal from school except in cases where they have obtained approval from the homeroom teacher for unavoidable reasons.

Article 7 (Nurse's Room) ① Students should refrain from using the Nurse's Room during class time unless it is an emergency and use the Nurse's Room during lunch or break times instead.

② If a student is sick or injured during class and needs to visit the Nurse's Room, he/she must obtain a permission slip from the teacher.

③ Students may receive up to 2 hours of medical care per day if necessary at the judgment of the nurse, and if further stabilization is needed, the student must return home or visit a hospital for treatment.

④ Students cannot use the Nurse's Room when the nurse is not there.

⑤ When using the Nurse's Room, students must follow the nurse's instructions as well as the Nurse's Room Guidelines.

Article 8 (Respect for Possessions) ① Students must respect the possessions of other students and faculty and may not use them without permission.

② If a student damages, conceals or steals someone else's possessions, the student and his/her guardian must compensate for the damage.

Article 9 (Facilities Use and Environment) ① Students may not damage school facilities and materials, and they must respect the right of school members to live in a pleasant environment.

② Students should use school facilities and materials carefully and tidy up after use.

③ Students must abide by the designated rules when using school facilities.

④ If a student damages, conceals or steals school facilities and materials, the student and his/her guardian must compensate for the resulting damage.

⑤ When a student becomes aware of an issue that may endanger the health and safety of school members, he/she must notify a faculty member immediately.

Article 10 (External Events) At external events such as school field trips, students must follow the general rules of Handong International School as well as the teacher's instructions for the event.

Article 11 (Safety) ① Students must follow the instructions of the supervising teacher in order to maintain order and pay attention to safety in all activities conducted inside and outside the school.

② Students must actively participate in safety education and act according to the manual in case of an accident.

Article 12 (School Violence) With regard to school violence, the school follows the Act on the Prevention of and Countermeasures against Violence in Schools, the respective enforcement decree and guidelines from the Ministry of Education.

Article 13 (Dating) ① Students may not date someone of the opposite gender. This is not to control students' emotions, but to help establish healthy and pure friendships between students of the same and opposite gender.

② Students must not spend time with a specific student for the purpose of dating, including online messaging, KakaoTalk, and text messaging.

Section 2 Personal Appearance and Dress Code

Article 14 (Purpose) The purpose of the appearance and dress code regulations is to ensure that our students look and dress modestly so that they can maintain dignity and safety, promote a healthy school culture, and carry themselves as servants of the kingdom of God who change the world.

Article 15 (Personal Appearance) ① The standards for hair are as follows.

1. Hair should always be kept neat and clean.

2. Hair should not be dyed, permed or shaved off. However, this may be allowed under exceptional cases with the permission of the Student Life Team Leader.

3. For male students, bangs must be kept above the eyebrows, hair on the sides above their jawline, and hair on the back of their head above their shoulders.

4. For female students, hair should not cover their face and hair rollers should not be worn.

② Makeup should not be worn with the exception of BB cream, sunscreen and clear lip balm.

③ Fingernails should be kept short and neat; nail art is not allowed.

④ Students may not get tattoos on their bodies. However, any tattoos from before entering this school must be covered at all times so as not to be visible while the student is attending school.

Article 16 (Dress) ① Students may wear a uniform or casual clothing when they come to school.

② The standards for the uniform are found in Table 1.

③ Casual clothing means clothing that is not a uniform, and the following articles of clothing are prohibited.

1. Clothing that is excessively tight-fitting
2. Clothing that is ripped or exposes too much skin
3. Short pants, dresses or skirts that fall more than 5 cm above the knees
4. Clothing that advertises alcohol, cigarettes or illicit drugs or depicts foul language and sexual references
5. Clothing that depicts wording that could be politically instigating
6. Other clothing that goes against the school's identity

④ During gym class, students should wear a gym uniform in accordance with the standards outlined in Table 2.

⑤ Slippers or high-heeled shoes cannot be worn. However, in the case that it is necessary, slippers may be worn with the permission of the Student Life Team Leader.

⑥ The standards for jewelry and accessories are as follows.

1. Modest jewelry and accessories that conform to the educational spirit of the school are allowed.
2. Students may have up to one piercing per ear with parental consent. However, piercings on body parts other than the ears are prohibited.
3. Stud earrings are the only type of earrings allowed. Hoops and drop earrings are prohibited for safety reasons.
4. Hats may not be worn inside the school building. In exceptional cases, however, a hat may be worn with the permission of the Student Life Team Leader.
5. Excessive jewelry or accessories that could distract or disrupt the learning environment should not be worn.
6. Glasses with colored lenses and colored contact lenses ("circle lenses") should not be worn. In exceptional cases, however, they may be worn with the permission of the Student Life Team Leader.

Article 17 (Official Attire) ① Official attire refers to each of the following:

1. The school uniform should be worn for the top.
2. Long formal trousers should be worn for the bottom, in principle. Shorts, jeans, cargo pants and sweat pants are not permitted. However, female students may wear skirts.
3. Dress shoes, flats or sneakers must be worn as shoes. Sandals and slippers are not permitted.

② Official attire must be worn on the day of official events such as chapel, school opening ceremonies, entrance ceremonies, closing ceremonies, and graduation.

Section 3 Off-Campus Life

Article 18 (Off-Campus Life) As students who take pride in their school, students are to abide by each of the following items during their off-campus life so that they uphold their status as students.

1. Show courtesy when meeting school faculty and staff, upperclassmen, classmates, and underclassmen.
2. Be considerate of children and the elderly, and observe public morals and laws.
3. Do not take harmful drugs such as alcohol, tobacco, glue adhesives or narcotics.
4. Do not enter facilities that are harmful to youth or work illegally in such places.
5. Observe traffic rules and be mindful to avoid various safety accidents.
6. Do not use bicycles, motorcycles, or electric scooters as a means of transportation to and from school.

Article 19 (Duty of Guardians) Guardians are to be mindful of each of the following items and guide their students so they can have an autonomous and wholesome off-campus life, notifying the school immediately of any serious issues.

1. Going out and time they return home
2. Relationship with peers while off-campus
3. Abnormal behavior
4. Access to environments or media harmful to youth

Section 4 Information and Communications

Article 20 (Internet and Media Usage) ① Students may not access the internet or other forms of media with content that is unethical, gambling-related, violent, obscene or harmful in other ways.

② Students should keep their personal information secure and may not use another person's personal information.

Article 21 (Use of Electronic Devices) ① Students may not use electronic devices to play games or use illegal programs while they are on campus before or after school.

② Electronic devices are to be powered down and kept in the student's bag or locker from the time they come to school to the end of the day's schedule.

③ If a student violates Clause 1 or 2 of this Article, the Student Life Team Leader will confiscate the electronic device. The Student Life Team Leader will notify the student's guardian and deliver the electronic device to the guardian directly or via mail at the recipient's expense. The electronic device will be banned from campus for one week for the first violation, two weeks for the second violation, and for the remainder of the semester for the third violation.

④ In special instances such as for class, school events or entrance examinations, students may use electronic devices with the teacher's permission.

Chapter 3 Middle and High School Disciplinary Committee & Middle and High School Life Education Committee

Article 22 (Middle and High School Disciplinary Committee) ① The Middle and High School Disciplinary Committee (hereinafter “Disciplinary Committee”) exists to deliberate and decide on matters regarding student disciplinary actions.

② The Disciplinary Committee is composed of up to 7 members including the Vice Principal, Director, Student Life Team Leader, and Student Life Team Teacher.

③ The Vice Principal serves as the Chair of the Disciplinary Committee and the Student Life Team Leader serves as the Secretary in charge of the office work. If the Chair is unable to carry out his/her duties due to unavoidable reasons, the Director serves as the Acting Chair. When the Student Life Team Leader is absent, the Student Life Team Teacher performs the role of the Secretary.

④ The Chair convenes the Disciplinary Committee when a matter necessitating disciplinary action arises.

⑤ The Disciplinary Committee decides on and proposes disciplinary matters with a majority of the registered members in attendance and a majority vote of the members in attendance, after which disciplinary matters can be implemented with the approval of the Principal. However, expulsion can only be decided by a unanimous decision of the members in attendance at the Disciplinary Committee.

Article 23 (Middle and High School Life Education Committee) ① The Middle and High School Life Education Committee (hereinafter “Life Education Committee”) exists to deliberate and decide on matters regarding a student’s recovery education.

② The Life Education Committee is composed of up to 5 members including the Student Life Team Leader and the Student Life Team Teacher.

③ The Student Life Team Leader serves as the Chair of the Life Education Committee and the Student Life Team Teacher serves as the Secretary in charge of the office work.

④ The Chair convenes the Life Education Committee when a student accumulates 12 or more detention points.

Chapter 4 Disciplinary Education

Article 24 (Purpose) The purpose of disciplinary education is to help students develop proper values, attitudes, and good habits through the use of the detention point system and recovery education.

Article 25 (Detention Points) ① When there has been a violation of the Student Life Regulations, the teacher is to inform the student and assign detention points.

② The standards for administering detention points are outlined in Table 3.

- ③ The Student Life Team keeps track of detention points and notifies the homeroom teacher and guardian of the student.
- ④ Students with detention points meet with the teacher during the recovery education to set up a recovery plan and then carry out the plan.
- ⑤ When a student has 18 or more detention points, the Disciplinary Committee can be convened to deliberate the course of disciplinary action at the request of the Chair of the Life Education Committee.

Article 26 (Recovery Education) ① Recovery education is for students who have between 3 and 17 detention points and it is led by the Student Life Team Teacher and the student’s homeroom teacher.

- ② Recovery education can be administered within the bounds of the student’s right to learn.
- ③ Recovery points can be earned through recovery education. Points are given based on the standards in Table 4.
- ④ Detention points are maintained for one semester and can be deducted with recovery points. Detention points that have not been deducted during the semester may be transferred to the next semester.
- ⑤ The recovery education to be implemented is determined by the number of detention points as follows.

Detention Points	Recovery Education
3-11 pts.	Student Life Team Teacher has meeting with student
12-14 pts.	Life Education Committee has meeting with student
15-17 pts.	Life Education Committee has meeting with student and guardian

Chapter 5 Disciplinary Action

Article 27 (Purpose) The purpose of disciplinary action is to foster proper values, attitudes and good habits among the students in line with our school’s educational calling with the ultimate goal of helping students recover within the community.

Article 28 (Principles of Disciplinary Action) Disciplinary action against students must follow each of the following principles.

1. Respect for the student is to be given first priority.
2. The focus is to be placed on guidance for prevention purposes rather than taking action after an incident occurs.
3. Depending on the severity of the incident, the type of disciplinary action is applied in

stages to give students an opportunity for repentance.

4. When disciplinary action needs to be taken, the guardian of the student is to be informed clearly and in detail of the grounds for disciplinary action, disciplinary standards, and procedures for requesting reconsideration of disciplinary action.
5. Disciplinary action must be taken in accordance with due procedures, such as giving prior notice of grounds for disciplinary action, forming a fair deliberation body, and guaranteeing the opportunity for vindication and the right to request reconsideration.

Article 29 (Types and Methods of Disciplinary Action) ① When it is deemed necessary for educational purposes, disciplinary action in the form of one of the following may be taken against students.

1. In-school volunteering
2. Community service
3. Special education programs
4. Suspension for up to 10 days at a time and up to 30 days a year
5. Expulsion from school

② In-school volunteering can be assigned for up to 7 days, and the student can perform the following services during school under the guidance of the Student Life Team Teacher. Volunteering can also be done in cooperation with an external volunteering organization according to need.

1. School beautification and maintenance work
2. Maintenance of teaching materials/aids
3. Other activities that are equivalent to the above items

③ Community service can be assigned for at least 6 days and up to 10 days, and the student is assigned to a local administrative organization, public organization or a social welfare organization to perform volunteer work.

④ Special education programs can be assigned for at least 6 days, and the student is assigned to complete a program at a facility established and operated by the Superintendent of Education or a professional counseling organization designated by the Superintendent. However, this can be replaced with a special education program operated by the school if needed.

⑤ During a suspension period, life education is administered under the responsibility of the guardian, who may consult with the Student Life Team Teacher about the Life Education program.

⑥ The head of the school may recommend transferring to another school for students and guardians who have been suspended at least two times.

⑦ Expulsion from school shall be carried out only to those who fall under any of the following items and who are not students in the compulsory education course.

1. Someone who is deemed to show no regret for their poor conduct
2. Someone who is frequently absent from school without justifiable reasons
3. Someone who violates other school rules

- ⑧ Before a student is expelled, he/she can be assigned to home learning for up to 7 days.
- ⑨ Once a student is expelled, career counseling must be conducted for the student and guardian and efforts must be made with the local community to make arrangements with other schools or vocational education and training institutions.
- ⑩ Even students under disciplinary action may be allowed to take various tests. However, time spent taking exams is excluded from the disciplinary period.
- ⑪ Absences due to Items 1, 2 and 3 of Article 29.1 will be marked as attended while suspension under Item 4 of Article 29.1 and home learning periods under Article 29.8 will be treated as unexcused absences.

Article 30 (Standards) ① Standards for disciplinary action according to the violation committed by the student are outlined in Table 5.

② The Disciplinary Committee decides on disciplinary measures based on Table 6.

Article 31 (Procedures) The procedures for disciplinary action are as follows.

1. The Principal reviews the decision made by the Disciplinary Committee and the statements from the student and/or guardian and then makes the final decision regarding the type and method of disciplinary action at the educational level.
2. Once the type and method of disciplinary action are decided, the Student Life Team Leader immediately notifies the student and guardian by delivering the Notice of Disciplinary Action (Attachment 1) in written form and then telephoning to inform the guardian of the procedures and to request their cooperation.
3. A student or guardian who has an objection to a disciplinary action other than expulsion may request a reconsideration by submitting the Request for Reconsideration (Attachment 2) within 14 days of being notified of the action. However, the request for reconsideration may only be made 1 time.
4. The Disciplinary Committee makes the final reevaluation within 14 days from the date of the request for reconsideration and the Student Life Team Leader notifies the student and guardian of the results through the Notice of Reconsideration Results (Attachment 3).
5. A student or guardian who has an objection to an expulsion measure may submit a request for reconsideration to the Student Disciplinary Mediation Committee of the Gyeongsangbuk-do Office of Education in accordance with the relevant procedures.
6. The Student Life Team implements the disciplinary actions as they have been decided.
7. If, even before the disciplinary action has been concluded, the student is deemed to clearly show regret for their actions, the Principal may reduce or shorten the period of disciplinary action at the request of the Disciplinary Committee.
8. If a student under disciplinary action fails to faithfully implement the disciplinary action, the Principal may increase the severity or extend the period of disciplinary action at the request of the Disciplinary Committee.
9. The student and guardian must submit the Pledge (Attachment 10) to the Student Life

Team before the disciplinary action is concluded.

10. The Student Life Team Leader notifies the student and guardian once the disciplinary action has been concluded.

Chapter 6 Amending Student Life Regulations and Miscellaneous

Article 32 (Amendment of Regulations) If it is necessary to amend the regulations, the Disciplinary Committee asks the School Leadership Committee to review the amendment after which it must be approved by the Principal.

Article 33 (Miscellaneous) Matters that are not stipulated in these regulations are implemented with the approval of the Principal after deliberation by the Disciplinary Committee.

Chapter 7 Other Statutory Requirements

Article 34 (Faculty student life guidance) ① In accordance with Article 12, Paragraph 4 of 「Notice to Faculty on Student Life Guidance」, the principal and faculty may physically restrain a student's behavior in urgent cases where there is a risk of harm to the life or body of the student or others or significant damage to property. In this case, the principal and faculty can ask staff for help or ask nearby students to report it.

② In the event of a physical restraint incident under Paragraph 1, the faculty shall report it without delay to the principal, and the principal or faculty shall promptly inform the parents or guardians.

③ In accordance with Article 12, Paragraph 6 of 「Notice to Faculty on Student Life Guidance」, if the principal and faculty determine that a student is disrupting educational activities and it is necessary to protect the learning rights of the other students, they may separate the student according to the following methods.

1. Move to a different seat in the classroom during class
2. Move to a designated location in the classroom during class (includes separation from the learning group during outdoor educational activities)
3. Move to a designated location outside the classroom during class (the designated location may be the student life office, the faculty office, the principal's office, a counseling room, etc.)
4. Move to a specific location outside of regular school hours (the specific location may be the student life office, the faculty office, the principal's office, a counseling room, etc.)
5. Separate students with a faculty member who can supervise them if they become disruptive on field studies, off-campus classes, school trips, etc.

④ The principal or faculty may request the parents or guardians to take over the student for home study if the student refuses to be separated in accordance with Subparagraph 3, 4 and 5 of Paragraph 3 or if the student continues to interfere with educational activities

despite being separated more than twice a day and the principal or faculty determines that it is necessary to protect the learning rights of the other students.

⑤ In accordance with Article 12, Paragraph 8 of 「Notice to Faculty on Student Life Guidance」, the principal and faculty may inspect the possessions of the students to the extent necessary if they have reasonable cause to suspect that a student is in possession of items that may cause harm to the life or body of the student or others, or cause significant damage to property.

⑥ In accordance with Article 12, Paragraph 9 of 「Notice to Faculty on Student Life Guidance」, the principal and faculty may keep the following items separate from students as prescribed by the school rules. Items under Subparagraph 1 shall be subject to Chapter 2, Section 4, Article 21. Items in Subparagraph 3 and 4 shall be confiscated immediately without caution after notifying the reason for the separation.

1. Electronic devices
2. Items that students continue to use after being cautioned more than once.
3. Items that may pose a risk to the safety and health of the students, faculty, and staff.
4. Items that may not be sold to students under applicable law
5. Other items prohibited from possession or use by school rules

Article 35 (Counseling) ① The principal, faculty, students, parents, or guardians may request counseling if they need to analyze the cause of a student's problem, explore alternatives, etc.

② In principle, counseling should be conducted outside of class time. However, exceptions include counseling by career counselors, professional counselors, and the principal and parents or guardians.

③ The content of the counseling must not be disclosed to any third party other than the student or parents or guardians. However, exceptions are made in cases where other laws provide otherwise.

④ The principal, faculty, and parents or guardians may request counseling from each other and shall comply with the other's request unless there is a compelling reason not to do so.

⑤ The date, time, and method of counseling shall be discussed in advance as determined by the principal.

⑥ The principal and faculty may decline to counsel for any of the following reasons.

1. A counseling session where the purpose, date, time, and method are not agreed upon in advance.
2. A counseling session outside the scope of the faculty member's duties.
3. An after-hours counseling session.

⑦ The principal and faculty may immediately terminate counseling if they determine that counseling is untenable due to verbal abuse, threats, or assault by the student or parents or guardians.

⑧ If the parents or guardians refuse or ignore a request for counseling without justification, the principal may take action against the parents or guardians as an

infringement of educational activities.

Supplementary Provisions

1. These amended regulations shall go into effect on January 1, 2024.
